

Senior & Persons with Disabilities Craft Sale

Handcrafted items made by Senior Citizens and Persons with Disabilities may be sold through sale booths at the Elroy Fair and the annual Holiday Fair held at the Adult Center in late November through mid December.

Entry forms are available at the Adult Center. **Watch the newspaper for announcements or call 608-847-9371 for the next sale dates.**

Ten percent of the gross sales amount is kept by the Committee on Aging and Disabilities for expenses, this includes the five and a half percent sales tax assessment. The balance is paid to the participants. Persons submitting articles for sale are also asked to assist in the sale booth.
